*Approximately 60 employers representing a variety of fields expected to participate*

Goshen, N.Y. – Orange County Executive Steven M. Neuhaus and Employment and Training Administration (ETA) Director Steve Knob have announced that the County will hold its annual spring job fair from 10 a.m. to 3 p.m. on Wednesday, May 17th at The Galleria at Crystal Run in the Town of Wallkill.

“The County is committed to helping residents find meaningful employment and career advancement,” Neuhaus said. “Our annual job fair is a popular event, providing job seekers with a unique opportunity to speak with respected companies and firms that are hiring. We are excited to help them make that connection and appreciate the continued support from the employers participating in our job fair.”

Approximately 60 employers and recruiters from Orange, Dutchess, Sullivan and Westchester counties will be at the Galleria to speak with potential job candidates.

“Last year, approximately 1,000 job seekers attended our job fair, and we are expecting another great turnout this year,” Knob said. “We appreciate the County Executive’s support in making this event a success and are grateful to our business partners for participating in our job fair.”
